XMAS IN THE FARM SHOP

Great Meat Selection

This year we will be taking orders for your Xmas holiday joints. You can pre-order your Turkey, Ducks and Geese plus the best Gammon, Pork and Beef Joints. We will have the forms in very soon, so grab one and enjoy the peace of mind that comes from knowing that the centerpiece of your dinner is taken care of.

Trees & Plants

We have a large selection of Xmas trees, both live and cut, which we can deliver for a modest £5 fee.

In addition, we have a wide range of seasonal plants, many in fancy presentation trays and containers which will make excellent gifts.

While you're shopping for your trees, take a look in Michael's Grotto, with all manner of Xmas novelties, lighting, packaging and decorations that will get your household into the Xmas spirit

Fruit & Veg

Just as important for Xmas is your choice of fruit and vegetables. Crisp vegetables for all your holiday meals and a good selection of fruits, from melons for starters through to juicy grapes to go with your cheese will make your table stand out, and, of course, the seasonal dates, figs and nuts.

If you buy a large bag of potatoes and keep them in a cool, dark place they should last you for a month and there's nothing like Brussels Sprouts freshly picked from a full stalk.

Beers & Wines

We'll have good stocks of Xmas Proseccos which make an excellent and economic alternative to champagne.

We will also have a selection of wines, red, white and beers to keep everyone happy and for your spirits we have fruit juices and mixers.

Cakes & Biscuits

Grab your Xmas puddings and mince pies while stocks last and when you're here be sure to take our large selection of biscuit selection boxes, shortbreads and fancy pastries.

If you're planning on cooking your own cakes, we have everything you'll need including excellent fresh eggs.

Confectionery

We've got plenty for those of you with a sweet tooth. From the classic chocolate oranges to some very adult dark chocolate, after-dinner mints and liqueurs.

For the kids there are stocking-fillers galore—selection boxes, gift eggs and mixed sweet bags.

...and Everything Else

Stocks and Sauces, our famous Pickles, cooking aids, butters and cheeses....we have much more to help you get Xmas sorted!
